Partnership Agreement 2019/20 Between London South Bank University and OCN London

Partnership Agreement 2019/20

Scope of Agreement

This Partnership Agreement records the intentions of both parties to collaborate in ways outlined in the Agreement and in Schedules 1-3.

Admission and Progression

In recognition of the Partnership to HE Agreement, LSBU will provide a range of admission and progression benefits for students from OCN London to degree programmes. The benefits will be applied to the original entry requirements of the programme and do not replace any special admissions requirements, such as portfolio, audition, interviews or entry tests. Only one benefit can be used per applicant. The original entry requirements are published online at **www.lsbu.ac.uk**.

Applying through the Partnership Agreement

To ensure that LSBU offers a place to applicants from OCN London based on the terms above, all applicants need to put LSBU as one of their five choices on their UCAS application, together with the code, '**OCNLSBU**' in the further details box. If an eligible prospective student does this, and applies before the 15th January UCAS deadline, LSBU will issue the relevant benefit as indicated in the benefits table. This may include issuing a conditional or unconditional offer*, or initially offering an interview prior to a decision being made. Applications received after 15th January will be considered on a case by case basis, pending availability of the programme selected. The prospective student has the choice of whether to accept or decline an offer of a place from LSBU. Offers made to applicants are subject to UK Visas and Immigration, and EU regulations (where applicable).

* This is subject to the LSBU Admissions Policy on the LSBU website, relating to applicants with criminal convictions.

Review of Agreement

The Partnership Agreement may be reviewed on an annual basis with the agreement of both parties.

Expiry of Agreement

The Partnership Agreement may expire 18 months after the final signatory date if this agreement is not reviewed and renewed in writing.

Termination of Agreement

The Partnership Agreement in respect of any or all of the sections listed above may be terminated by any of the signatories to this agreement, by giving at least three months' notice in writing.

Schedule Two

Higher Education Progression activities for schools and colleges

Our Outreach and Widening Participation team offer a range of on and off-campus activities throughout the year for prospective students who want to find out more about studying the subject of their choice at LSBU or require additional support in applying to university. To discover the latest activities on offer for your learners, visit our [schools and colleges webpage](#).

Extended Project Support Programme for Access to HE Diploma Students

Access Diploma learners at OCN London Colleges are given priority to attend the unique LSBU Extended Project Support 2-day Programme, which is delivered by senior members of academic staff. Students learn how to plan, research and write the Extended Project and are given practical experience at the LSBU library. For 2019/20, the Extended Project Support Days will be delivered on:

30th October and
13th November 2019

Campus tours

All LSBU events include a campus tour led by our student ambassadors. We also run weekly standalone tours, open to groups and individuals.

Open Days

LSBU Open Days are designed to offer a real taste of university life, giving prospective students the opportunity to:

- find out more about specific courses from our academic staff, all of whom have strong industry links and experience in their field

- choose from 40-plus talks, presentations and seminars
- view our state-of-the-art teaching facilities, including specialist labs and studios
- tour the campus and accommodation with current students
- find out about our internship schemes, employability services and Erasmus schemes
- spend time in our cafés or visit the Students' Union to find out about the advice and representation they offer as well as the student clubs and societies
- discuss specific concerns about finance, disability support and any other special requirements with our Student Services team.

Partnership Agreement 2019/20

Schedule Three

Staff and Curriculum Development

London South Bank University is committed to working with OCN London and its colleges to improve the transition and progression of mature learners to university level education and professional training. London South Bank University has a long history of attracting students from a range of different backgrounds.

To achieve these aims each of our Schools may provide the following services if requested:

- Curriculum advice and support
- Advice and support related to courses offered or to be offered by OCN London, ensuring that their level 3 curricula match the curricula at London South Bank University
- Advice and support about teaching and learning in each of the Schools courses, including sessions with teachers and students where appropriate

• Training Programme for Access to HE Diploma Tutors - providing support for the delivery of the extended project modules on the Access to HE Programme

This will take place in the afternoons of 30th October 2019 and 13 November 2019
